Evening radio in Central Florida

Right-wing cesspool.
Hated their ilk for so
long some have died off, even.

Choking on “patriotic” gore,
one assumes.

When I lived out in the country,
a guy scrawled protest over
one wall of his house. Parish?

Nation? Cosmos? was against?
Who could tell? *That's America!*

you maintain. Uh huh. Well we can all
despise effectively with half the fury.
